

Local Grievance # _____

Issue Statement (Block 15 of PS Form 8190):

Did management violate Article 41, Section 2 of the National Agreement by removing **[Full-Time Reserve/Unassigned Regular/Full-Time Flexible Letter Carrier] [name]** from his/her opt/hold-down assignment on **[Date]** in the **[Station/Post Office]**, and if so, what should the remedy be?

Union Facts and Contentions (Block 17 of PS Form 8190):

Facts:

1. The grievant placed a bid for an opt/hold-down on route **[route #]** on **[date]**.
2. The grievant was awarded the opt/hold-down on route **[route #]** and began holding down the route on **[date]**.
3. The duration of the opt/hold-down on route **[route #]** has not ended.
4. The grievant was removed from this opt/hold-down on route **[route #]** on **[date]**.

Contentions:

1. Management violated Article 41, Section 2 of the National Agreement when it removed the grievant from his/her opt/hold-down assignment on route **[route #]** on **[date]**.
2. The grievant has the right under Article 41.2.B.5 to continue working the duties of the opt/hold-down for the duration of the vacancy. The following explanation of this provision appears on in article 41 Joint Contract Administration Manual (JCAM), which states in relevant part:

***Duration of Hold-Down.** Article 41.2.B.5 provides that once an available hold-down position is awarded, the opting employee “shall work that duty assignment for its duration.” An opt is not necessarily ended by the end of a service week. Rather, it is ended when the incumbent carrier returns, even if only to perform part of the duties—for example, to case but not carry mail.*

3. There is no claim that the duration of the opt/hold-down ended. Therefore, management’s removal of the grievant from this opt/hold-down is a clear violation of Article 41.2 of the National Agreement and an appropriate remedy must be granted.

Remedy (Block 19 of PS Form 8190):

1. That Letter Carrier **[name]** be returned to his/her opt/hold-down assignment effective immediately.
2. That management cease and desist violating Article 41, Section 2 of the National Agreement at the **[Station/Post Office]**.
3. That Letter Carrier **[name]** be paid a lump sum equal to the difference between the number of hours he/she has actually worked since **[date]** and the number of hours he/she would have worked had the opt/hold-down not been terminated. This payment is to also include any out of schedule premium pay that results from the change in work schedules.
4. That Letter Carrier **[name]** be paid a lump sum of \$100.00 as an incentive to ensure future compliance.
5. That all payments associated with this case be made as soon as administratively possible, but no later than 30 days from the date of settlement.
6. That proof of payment be provided to **[NALC Official]** upon payment, and/or any other remedy the Step B team or an arbitrator deems appropriate.

Add the following issue statement, facts, contentions, and remedy request if we can prove the violation is repetitive:

Issue Statement:

Did management violate Article 15.3.A of the National Agreement along with policy letter M-01517 by failing to comply with the prior Step B decisions or local grievance settlements in the case file, and if so, what should the remedy be?

Facts:

1. Article 15.3.A of the National Agreement states in relevant part:

The parties expect that good faith observance, by their respective representatives, of the principles and procedures set forth above will result in resolution of substantially all grievances initiated hereunder at the lowest possible step and recognize their obligation to achieve that end.

2. M-01517 states in part:

Compliance with arbitration awards and grievance settlements is not optional. No manager or supervisor has the authority to ignore or override an arbitrator's award or a signed grievance settlement. Steps to comply with arbitration awards and grievance settlements should be taken in a timely manner to avoid the perception of non-compliance, and those steps should be documented.

3. Under the heading *Remedies and Opting*, Article 41 of the JCAM states in relevant part:

In circumstances where the violation is egregious or deliberate or after local management has received previous instructional resolutions on the same issue and it appears that a "cease and desist" remedy is not sufficient to insure future contract compliance, the parties may wish to consider a further, appropriate compensatory remedy to the injured party to emphasize the commitment of the parties to contract compliance.

4. Included in the case file are **[Arbitration Awards/Step B decisions/local grievance settlements, etc.]** in which management was instructed/agreed to cease and desist violating Article 41 of the National Agreement by removing Letter Carriers from their opt/hold-down.

Contentions:

1. Management violated Article 15.3.A of the National Agreement and M-01517 by failing to abide by the previous Step B decisions/local grievance settlements in the case file. When management violates contractual provisions despite being instructed/agreeing to cease and desist these violations, they have failed to bargain in good faith.
2. The Union contends that Management has had prior cease and desist directives to stop violating Article 41 by removing Letter Carriers from their opt/hold-down. The Union also contends that Management's actions are continuous, egregious and deliberate. The Union has included past decisions/settlements in the case file to support their claim.

Remedy:

1. That management cease and desist violating Article 15 of the National Agreement.
2. That Letter Carrier(s) **[Name], [Name], and [Name]** each be paid a lump sum of \$100.00 to serve as an incentive for future compliance.
